

2008/2009 Southwest Florida Boat of the Year Races

Boats must compete in at least 3 Regattas to be scored for BOTY. A boat's top 17 finishes are scored for Boat of the Year. Scoring will be per the Racing Rules of Sailing Appendix "A" Low Point System: First receives 1 point, Second 2 points, etc. For the Summerset Coastal race, scores will be reduced by 15 percent (First receives .85 points, etc.). For the Naples Offshore Race, the Naples to Key West and Key West to Naples races, scores will be reduced by 30 percent (First receives .7 points, etc.). Trophies will be awarded to the top three finishers in each division.

There are no Sportboat Divisions in the Naples Offshore and Key West races.

Each boat must have a valid West Florida PHRF rating certificate to enter a Regatta.

All races completed in any BOTY Event will be scored for BOTY.

Boats enter each regatta separately and follow each Regatta's Sailing Instructions.
