From the Helm Commodore Bruce Harris

Our racing season is off to a good start! We have had races in Ft Myers, Naples and Marco Island. The Ladies Day race was fun even with the wind not adapting to our course as it should. It was a beautiful day for the participants.

We finally have the end of our challenging 2020 in view, so there are several events to note. First off, there is a cruising event to Smokehouse Bay with our friends at SAMI on November 29th. Then, we have the Ft Myers to Naples Offshore Regatta on December 5. To bring holiday cheer, our area has three lighted boat parades to enjoy. Ft Myers starts off the parades on the evening of December 5, while Naples and Marco Island have their parades on December 12. "Dalliance" with its motley crew will be participating in the Naples parade this year and I would encourage everyone with a boat to string a few lights, participate in the parades and bring some happiness to our neighbors.

The coronavirus is still with us, so out of an abundance of caution, the Board of Directors decided not to have a December meeting as scheduled. We will monitor our membership's concerns and communicate a decision about our January meeting. In the meantime, enjoy a Wonderful Holiday Season and Best wishes for a Happy New Year 2021!

Gulf Coast Sailing Club

We need your help to continue to provide the Sailing Events and Meetings that we all enjoy.

Sailing is a hobby not a job, but making it fun does require Volunteers to help plan and organize our activities.

Volunteers can work from home, on a boat or at an event. A fun way to meet other folks and be an active part of our sailing Community. GCSC has a committee of experienced Volunteers that will help you every step of the way. We can help you select the

volunteer activity that you will enjoy and fit your schedule. We can explain to you what is involved and then help with mentoring and support.

Some areas needing help:

- 1> Getting Speakers for Meetings**
- 2> Help organizing Member Meetings**
- 3> Help with Member Communication and Recruitment**

Let's Keep it Fun! Please Contact any of the Members of our Volunteer Recruitment and Mentoring Committee for more information.

Ladies Day Regatta – By Jerry Watkins

November 22, 2020 at Noon

Frank Brown

***"LADIES DAY"* Race**

The HEART of SAILING in SW FL KEEPING IT

FUN by HAVING FUN

Frank Brown (the silent voice behind our fun), did it again! Frank continues to lead the way for all SW FL sailors to enjoy their love for the water, their boats, and their sport.

Sunday 11/22/2020 Frank Brown organized yet another event (the 24th Annual Ladies Day Race), for all SW FL. For all of the Ladies in SW FL with a passion for yachting, especially sailing yachts, and especially a competitive, socially acceptable sailing event, possible despite the Covid 19 Virus outbreak, while honouring the well published and publicized guidelines, Frank again offered a sailing race off the Marco Island Beach.

This race was especially meaningful to Frank Brown's sailing family on Dragon Fly Plus as the 1 year anniversary of his fathers death. Onboard was the 4 ladies, mother Betty Brown, sister Liza Brown and friend Denise and a regular Dragon Fly Plus crew Sue Slater.

14 Yachts registered for the 2020 Ladies Day Race. The start at 1200 noon was kicked off by Scott & Jill Kiley who graciously volunteered their BOSTON-WHALER as the boat to set the marks of the course to be sailed and functioned as the photographer boat, and the race committee boat. Jill gave up her desire to compete with her own new Jeneau sailing yacht to assure these 14 ladies were well supported. Jill You are the best. We love you and Thank You for your support.

North-Easterly winds at 6-8 gave all boats a great send off. Typical of SW FL near the 1200 noon hour the wind shift can be expected. Well the wind lady was a bit undecided so all yachts encountered some very

different conditions allowing the competitive spirits to run the scale from, “great we are in the lead to where in the world did she come from and what does she have for wind that we are missing”. Positions changed regularly throughout the day as the winds puffed from all directions at all speeds to no wind and no speed.

Clouds and storms threatened the area with a light rain falling on a few ladies (there goes the hair), while other continued to soak up the sunshine in their bikinis.

The weather lady did spare some of the fleet from the surrounding cells, dominant on all sides of the course, while others must have upset her as they sailed in a downpour drenching their spirits with fresh soft rainwater. Still not good for the hair!!

Final Race WINNERS in a very close finish –

#1. “DRAGON FLY PLUS” The SAILING BROWN family with Lisa at the helm.

#2. “LION HEART” Sue at the helm.

#3. “EROICA” Jennifer at the helm.

Yacht “NO NAME” endures the whiteout downpour as the head back to homeport Naples.

AND ALL THE LADIES SAID

“THANK YOU FRANK!!”

Commodore's Cup 2020

By Frank Brown

Hello Sailors,

We had a great day of sailing at the 2020 Naples Sailing and Yacht Club Commodores cup! We had a

total of 14 entrants in three classes. It started with a very sunny 8 to 10 nights of wind and we ran a Windward Leeward from a start mark 2 miles west of Gordon's pass, then we sailed to a virtual mark off the Naples pier and back to where we started. As the wind swung to the right PRO Jeff Gage changed the course to be from the start buoy to Gordon's pass and back. The wind stayed so Jeff ran another one up to Gordon's pass. For the last race of the

day Jeff ran a triangle from the start Mark, to Gordon's pass, to the Naples Pier virtual Mark and back to the start Mark that was the longest race of the day at 8 miles and change. As the day progressed the wind picked up to 12 to 14 knots. It was a grand day with everybody having lots of fun. Eroica was the big winner followed by castaways and dragonfly plus. We gathered the next morning for the NYSC famous audacious breakfast brunch! What a great weekend.
